

Primary Product Competition for Primary School Children

The State Agricultural and Environmental Committee is introducing a new competition for primary school students (K-6), either as an individual project or as a Group, to be called *"Where does our food come from?"* It will focus on the current Primary Product of the year that will be announced after the Executive meeting in November. Criteria will be:

History

Distribution in NSW

Why is it good for you?

Where did you do your research? eg: supermarkets, markets etc

How many brands?

Country of origin?

How many sizes were available?

Percentage of product from Australia?

How much packaging was used?

Research resources.

Submit via your preferred medium to State Office by **31 October** each year.

The competition is open to all primary school students, not just relatives of members. Only one entry per student. Winners will be announced during the annual State Conference. The judge's decision is final.

Kindergarten to Year 3

First place (\$50), second place (\$30) and third place (\$20).

Year 4 to Year 6

First place (\$50), second place (\$30) and third place (\$20).

Please label your entry clearly that it is an A & E Committee competition.
